

## **Chairman's Notes - January 2017 - Tevet 5777**

Dear Friends,

You will have received this week the notification about the Tu B'Shvat event that the Shul is presenting on Sunday, February 12th, at 7:30pm. This is entitled "Roots", which could be a little cryptic. There will be four talks, from two of the ladies and two of the gentlemen members - each one will be no longer than 10 minutes. They will describe the backgrounds of their families, which are their roots. All four speakers will have originated from different countries, which should provide for a really interesting evening.

After the presentations, there will be refreshments, including specific Tu B'Shvat fruits.

I do hope that you will support this event and make another success for the Shul.

Wishing you all Shabbat Shalom.

Kind regards,

Hilton
