

## **Chairman's Notes #2 - March 2017 - Adar 5777**

Dear Friends,

Another week and already I need to update you with some changes and a new item.

On Shabbat afternoon, mincha will commence at 4:55pm instead of 5:10pm. This will allow the Rabbi extra time to give his pre Purim shiur at the seuda shlishit.

Maariv on Motza'ei Shabbat will commence at 7pm instead of 6:45pm. This is to give sufficient time to clear away the food and tables from the seuda shlishit, put out the chairs for the Purimshpiel and set the stage and piano. In this way, there will not be any delays for the members to go down to the George Goddard Hall for refreshments after the reading of the Megillah and before the Purimshpiel starts.

I am delighted to inform you all that the Youth Minyan will be taking over the Shul services for Shabbat Vayikra, March 31st/April 1st. They will daven Kabbalat Shabbat, all the services on Shabbat morning, including leyning and gabbai duties (I get a day off !!). We send them all hatzlacha wishes.

I wish you all Purim Sameach in advance.

Kind regards,

Hilton
