

Chairman's Notes - May 2018 - Sivan 5778

Dear Friends,

I trust you all had a lovely chag. If you were here, it was rather warm, as the air conditioning decided not to work when it was set on late Friday afternoon, so we were without it for the entire weekend. However, this did not deter our members, who came to Shul in considerable numbers throughout Shabbat and Shavuot. It was also pleasing to see so many people come to the Tikkun Leil Shavuot, more than I have ever seen attending.

The dinner that we held on Friday evening, which also honoured the Neshot Chayil of the community, Ruth Leviton and Rochelle Veeder, was super, with a real family atmosphere.

I am delighted to announce to you that Chaim Shtern will again be our chazan for the Yamim Noraim this coming September. We will look forward to hearing him and enjoying his davening as we did last year.

Kind regards,

Hilton
